DAY 1 FRIDAY

Commence your wilderness journey heading north via the old coastal towns of Port Wakefield and Port Germein, which boasts the longest wooden jetty in the Southern Hemisphere. During the safari your Tour Guide will introduce you to a remarkable and resilient history of both Aboriginal and white settlement in S.A. Be amazed by the beauty of the Southern Flinders Ranges, 600 million year old mountain peaks and spectacular views over Spencer Gulf. Travel through the picturesque Pichi Richi Pass to the historic township of Quorn. With its typical outback buildings and the original Ghan Railway station, Quorn has been the setting for many iconic Australian films.

Follow in the path of our early explorers driving to Warren Gorge Conservation Park to search for rare and elusive Yellow-Footed Rock Wallabies. Dramatic rock outcrops harbour these endangered wallabies with only an estimated 8,000 living in the wild. Sit back in the comfortable, fully equipped 4WD vehicle as we head along the remote tracks through the deserted Willochra Plains where eagles soar and emus run free.

DAY 2 SATURDAY

Explore the ever changing creek beds of Brachina Gorge. This is an area alive with wildlife and boasts a remarkable geological history including Ediacaran fossils dating back millions of years. World-renowned South Australian painter, Sir Hans Heysen was inspired by this country and painted many of his landscapes here. After a scrumptious picnic lunch, immerse yourself in the ancient landscape; take that special photograph from Razor Back Lookout or just enjoy some of the most spectacular outback scenery Australia has to offer. Wildlife including Kangaroos, Emus and Wedge tailed Eagles are prolific in this rugged terrain and are usually spotted in abundance in the late afternoon.
