An exciting, private chartered eco-adventure in the famous Flinders Ranges.

Leave the beautiful city of Adelaide behind and head north along the eastern sides of the Gulf St Vincent and Spencer Gulf. Visit historical coastal towns and learn about South Australia's rich maritime history of long jetties and old sailing boats.

Enjoy a picnic lunch at Mt Remarkable National Park surrounded by stunning 600 million year old mountains with an abundance of native wildlife. Travel east through the spectacular gorges as we climb high into the Ranges. This is classic Southern Flinders terrain and offers magnificent views over the area.

Head south through majestic scenery of mighty Red Gum forests to the picturesque village of Melrose, settled in 1853. Check out the historic buildings such as the Old Outback Police Station, Gaol, Court House and Jaccas Brewery.

Getting closer to Adelaide we pass through lovely old townships of Mid-North South Australia and the beautiful Clare Valley wine region.

Arrive Adelaide approximately 6:00pm.
