#### DAY 1

---

Commence your wilderness journey heading north via the old coastal towns of Port Wakefield and Port Germein, which boasts the longest wooden jetty in the Southern Hemisphere. During the safari your Tour Guide will introduce you to a remarkable and resilient history of both Aboriginal and white settlement in S.A. Be amazed by the beauty of the Southern Flinders Ranges, 600 million year old mountain peaks and spectacular views over Spencer Gulf. Travel through picturesque Pichi Richi Pass to the historic township of Quorn. With its typical outback buildings and the original Ghan Railway station, Quorn has been the setting for many iconic Australian films.

Follow in the path of our early explorers driving to Warrens Gorge Conservation Park to search for rare Yellow-Footed Rock Wallabies. Dramatic rock outcrops harbour these endangered wallabies with only an estimated 8,000 living in the wild. Sit back in our comfortable, fully equipped 4WD vehicle as we head along remote tracks through the deserted Willochra Plains where eagles soar and emus run free.
